

# Plant the seeds of vibrancy, resiliency, beauty & sustainability!

residentsforward.org

## 2023 Caring For Port Washington Plan:

### ENVIRONMENTAL EDUCATION

**Reintroduce** in-school elementary programs  
**Expand** the Climate Awareness Garden Program  
**Present** Residents Forward 2023 Youth Climate Summit  
**Continue** to build Environmental Action Group for High School Students

### WATERFRONT PROTECTION

**Inspire** the creation of a sustainable and resilient waterfront that connects Port Washington's parks, open spaces, culture and businesses by foot

### CLEANLINESS

**Add** three more DIY Cleanup Stations  
**Hold** monthly cleanups  
**Work with** local leaders to address systemic litter issues and find solutions

### ADVOCACY

**Continue** to protect your drinking water amid growing threats  
**Expand** Let's Walk PW to improve the walkability and vibrancy of our business district

### BEAUTIFICATION

**Add** more planters to Main Street & Manorhaven Blvd  
**Sponsor** a new rain garden  
**Create** a new mural project

### COMMUNITY-BUILDING EVENTS

**Host** Party in the Park & Community Coffees  
**Partner in** Port Holiday Magic & Port Outdoors
